May-June 2018

We are going back to Zambia Lord willing July 5th. We are excited!!!

*THE KING OF GLORY HAS DECLARED GREAT HEALING FROM THE ORDEAL
I HAVE BEEN THROUGH:*

FROM DEATHS DOOR TO SUFFICIENT RECOVERY TO RETURN TO WORK IN ZAMBIA

In the meantime: Please pray for Melody as she will have oral bone surgery this week.

And pray for Benjamin Kayombo. He is Alfred and Memory's 6 month old son possibly needing surgery, a dangerous thing in Zambia. This family is completely sold out to the LORD of hosts to serve HIM. Alfred is working diligently to build a building for the new Baptist Church plant in Mulala Compound of Livingstone.

Kayombo Family

Also want to thank all who have donated for this project. It will be simple and nice for the region. Nothing elaborate just pleasant and honoring of the LORD JESUS for His Church a place to meet together to worship HIM and be a witness that HE is LORD and Savior. If any others can help we still need around \$8000 (building material costs are rising weekly).

Couple of photos of progress on the Church plant of the Lord from past 2 weeks!
